

A Special Invitation to **the 2018 Department of the Navy Gold Coast Small Business Procurement Event**
at the San Diego Convention Center in August

We are looking forward to welcoming you at our booth!

Small Business, Sharpening the American Military's Competitive Edge
is this year's theme.

The NDIA Department of the Navy Gold Coast Event is the premier Navy procurement conference in the country. Gold Coast provides a forum to educate, guide, and assist businesses, large and small, in support of the war fighter mission within Department of the Navy and throughout the DOD. The event provides exciting and relevant topics delivered by government and industry experts – and boasts insightful panels, workshops and networking events. Of course, you won't want to miss the opportunity to meet key government and industry contracting personnel through our one-on-one matchmaking sessions – the hallmark of Gold Coast.

This year, **Straub Construction, Inc.** will be participating as an exhibitor! We look forward to sharing the exhibit hall with over 200 industry organizations and government agencies, including the ten Navy Systems Commands.

Our exhibit at Gold Coast will be full of information about our services, such as:

- New Bid Opportunities
- Small Business Opportunities

Gold Coast is the only Department of the Navy co-sponsored procurement event, so don't miss out! Registration is required at www.navygoldcoast.org/register. We hope to see you there.

Kind Regards,

Matt Ferguson
President
Straub Construction, Inc.
